Insurance details

The Policy is issued by Optus Insurance Services Pty Limited (ABN 12 005 711 928) AFSL No. 247379 (Insurer) and can be arranged by Optus Mobile Pty Limited (ABN 65 054 365 696) (Optus). You may contact Optus or the Insurer on 133 937, or by writing to PO Box 53 Collins Street West, Melbourne VIC 8007.

The full terms, conditions and exclusions applying to your Policy are set out in:

- your application;
- this PDS, including the Policy Terms and Conditions;
- any supplementary PDS that the Insurer gives to you; and
- each Optus bill that includes your insurance premium charge.

Commencement of cover and raincheck periods

The Insurer will issue your Device Protect on the date that your application is received. However, your insurance protection only commences when you receive the Insured Equipment. If you are required to wait for your Optus Device to arrive, you will not be charged any premium for the period of time before it arrives.

If you are an existing Device Protect customer when you enter into a new Optus Device service contract, it will cover your existing Optus Device until you receive your new Optus Device. At this time, cover for your old Optus Device ends.

Significant benefits

Under this Policy, the Insured Equipment will, at our discretion, be repaired, exchanged with a remanufactured unit or replaced with a new unit if:

- it is lost, stolen or accidentally damaged where the loss, theft or accidental damage can be ascribed to a known and identifiable event; or
- there is a mechanical or electronic breakdown/failure which can be ascribed to a known and identifiable event and the breakdown or failure is not covered by the manufacturer’s warranty or consumer guarantee under the Australian Consumer Law.

You are covered for the above losses regardless of where the event giving rise to the loss occurs (that is, anywhere in the world).

The maximum amount payable for any claim is \$2,000 (including GST and the unauthorised usage limit described below) for Standard Devices and \$3,000 (including GST and the unauthorised usage limit described below) for Premium Devices*, less the excess applicable to the claim (as set out below).

If you are leasing your Device, there is a limit of two loss or theft claims during the term of your policy.

When you make a valid claim under your Policy, you will also be entitled to claim for reimbursement of costs incurred as a result of any unauthorised use of the Insured Equipment within the 12 hours immediately prior to you notifying Optus of it being lost or stolen (up to a maximum of \$600 including GST).

*For a full list of Premium Devices, see optus.com.au/insurance

Policy terms and conditions

Basis of settlement

We will, at our option, either repair any damaged/failed Insured Equipment to a condition as far as possible equal to its condition at the time of the damage or failure, or replace any lost, damaged or failed Insured Equipment with similar or equivalent items.

At our option, replacement equipment may include remanufactured or used equipment.

Replacement devices in settlement of claims, subject to market availability and geographic location, will be available to you within two business days of us agreeing settlement with you.

If you purchased your Device, we may not offer to renew your policy if we believe you have engaged in fraudulent conduct, a breach of the duty of utmost good faith or if your claims history indicates an unacceptable level of risk. We will tell you if we do not offer renewal and your cover stops.

If you are leasing your Device, there is a limit of two replacement claims for loss or theft during the term of your policy. Your policy will terminate on the second time we settle your claim through the provision of a replacement or a remanufactured device due to loss or theft.

Conditions

1. You must act towards us with the utmost good faith in respect of any matter arising under or in relation to this Policy.
2. In the event that you have a valid claim, you must pay any outstanding or overdue charges on your mobile account and lease (if applicable) before we process your claim.
3. Cover on the Insured Equipment ceases at the time you sell it or pass your right, title or interest in the Insured Equipment to another person or us in relation to a claim (see Condition 5). To arrange insurance on any new equipment which replaces the Insured Equipment, you must notify Optus Customer Service on **133 937**.
4. In the event of a claim, you agree that Optus is authorised to make available to us the full details of your Optus Device service account including its call history.
5. Where any claim is settled by us by provision of a replacement or a remanufactured device, you agree that all rights, title and ownership of the device claimed for passes to us.

Renewal (where you don't lease your Optus Device)

If you purchased your Device, each Optus Device service account that includes a monthly insurance charge is deemed to be an offer of renewal for a further monthly period and your payment of each such account is accordingly your acceptance of the renewal offer.

We reserve the right not to offer renewal, including if we believe you have engaged in fraudulent conduct, a breach of the duty of utmost good faith or if your claims history indicates an unacceptable level of risk.

No renewal (where you lease your Optus Device)

Where you lease the Optus Device, this policy provides cover for a single, 24-month period and cannot be renewed after this period.

Cancellation

This Policy may be cancelled by you at any time, or by us in accordance with the terms of the Insurance Contracts Act 1984 (including where you lease your Optus Device and you fail to pay a premium instalment).
