Plan Availability

This plan is only available at Telechoice stores and is not available to iPhone® users.

Information about pricing

Minimum monthly charge

\$80 per month.

Cancellation fees

The maximum cancellation fee is **\$960** on a 24 month contract. This fee will decrease in intervals after the first half of your contract term. If you cancel your plan, you'll also have to pay any remaining repayments for your phone if you have chosen a handset repayment option.

Plan changes

If you change your plan during your contract term a fee may apply. Contact Customer Service if you would like further information.

Data usage

Data will be counted in kilobytes, and includes both uploads and downloads. After you've used your Included Data Allowance, each megabyte of excess data within Australia costs \$0.25/MB.

Paper invoice fee

A \$2.20 fee will be charged each month if you choose to receive a paper bill. To see your bills online, or request email billing go to optus.com.au/myaccount

Mobile calls and texts

You get unlimited standard calls to Optus Mobiles from within Australia.

A standard national call to any other Australian mobile for 2 minutes including flagfall would cost \$2.38.

If you restricted your use solely to standard national calls to other Australian mobiles, each of 2 minutes in duration, you could make 315 calls per month from your Included Value.

You get unlimited standard national SMS to mobiles from within Australia.

Payment processing fee

If you pay by BPay savings or direct debit from a bank account, there are no processing fees. A processing fee applies to payments made by credit or charge card and if you pay at Australia Post. For details go to optus.com.au/payments

Other information

Tracking your spend

We'll provide you with SMS usage alerts once you've reached approximately:

- > 50%, 85% and 100% of your Included Value or Included Data Allowance (whichever comes first); and
- > each \$100 (ex. GST) of charges on services that aren't part of your plan's Included Value Allowance.

You can also monitor your unbilled usage with these options:

- > Visit My Account at optus.com.au/myaccount
- > Download the My Optus App on your Android™ or iPhone® at optus.com.au/MyOptusApp

For more information about usage alerts, see optus.com.au/alerts

Using your service overseas

You cannot use your included value, minutes or data if you are overseas. Also, your usage details and alerts may take longer than normal to update.

To avoid any nasty surprises, see optus.com.au/roaming for information on roaming charges and tips on how to control your spend.

Customer Service

You can call **1509 for free** from your Optus Mobile for self-service on your account balance, usage status, payment details and other information at any time.

For other assistance and account information, see optus.com.au/customerhelp

Customer complaints

You can contact our complaint resolution area by calling us on **133 937**. We encourage you to contact us first so that we can try to resolve your complaint straight away. If you're not happy with the outcome, you may also contact the Telecommunications Industry Ombudsman on **1800 062 058**.
