## Information about pricing

### Minimum monthly charge

\$35 per month.

### Cancellation fees

The maximum cancellation fee is **\$420** on a 24 month contract and **\$210** on a 12 month contract.

This fee will decrease in intervals after the first half of your contract term. If you cancel your plan, you'll also have to pay any remaining payments for your phone if you have chosen a handset repayment option. If you receive a monthly handset credit you will no longer be entitled to the credit and you'll have to pay the remaining handset payments in full.

### Plan changes

If you change your plan during your contract term a fee may apply. Contact Customer Service if you would like further information.

### Data usage

Data will be counted in kilobytes, and includes both uploads and downloads. After you've used your Included Data Allowance, each megabyte of excess data within Australia costs \$0.25/MB.

### Mobile Calls and Texts

A standard national call to any Australian mobile for 2 minutes including flagfall would cost \$2.15.

If you restricted your use solely to standard national calls to Australian mobiles, each of 2 minutes in duration, you could make 93 calls per month from your Included Value.

You get unlimited standard national SMS to mobiles from within Australia.

### Paper invoice fee

A \$2.20 fee will be charged each month if you choose to receive a paper bill. To see your bills online, or request email billing go to [optus.com.au/myaccount](http://optus.com.au/myaccount)
