Information about the service –

## \$80 My Plan 800min 2GB

### Description of the Service

The **\$80** My Plan 800min 2GB is for Postpaid Mobile Services and includes the following monthly inclusions for use within Australia:

- > 800 minutes of standard national voice calls
- > Unlimited standard Text and MMS to Australian mobiles
- > 2GB of Mobile Internet Data

### Minimum Term

You can get this plan on a 24 month contract.

The Minimum Total Cost is **\$1920** over 24 months.

### How My Plan works

On the **\$80** My Plan you will pay a **\$80** monthly fee and receive a monthly base plan of included voice minutes and data.

### During the month

If you use more than your base voice or data inclusions we'll automatically move you up and charge you for another level of minutes or data, as per the table below.

If you then use more than that level, you will automatically be moved up to and charged for the next level after that.

You'll only move up a level for the minutes or data inclusion you've used up.

For example, you make 900 minutes of standard national calls during the month. As your base inclusion is 800 minutes, this means you've gone over your base plan's talk inclusion by 100 minutes. We'll automatically move you up to the next level which is unlimited minutes for **\$10**.

### At the end of your billing cycle

Once your billing cycle ends, you'll automatically move back to the original inclusions and charges of your base **\$80** My Plan (i.e. **\$80** for 800 minutes and 2GB data).

<b>\$80</b> My Plan	Minutes	Cost of Minutes	Data	Cost of Data
<b>MONTHLY BASE INCLUSION</b>	800	\$50 per month	2GB	\$30 per month
	<b>ADDITIONAL MINUTES</b>		<b>ADDITIONAL DATA</b>	
<b>LEVEL ONE</b>	800 – Unlimited	\$10	2GB - 3GB	\$10
			And then \$10 for each additional 1GB (or part thereof) that you use, up to a maximum of 20GB per month. Your service may then be restricted or we may continue to charge you at these rates.
