## Information about the service

### How My Plan Plus works

If you use more than you included data during your billing month (either on your mobile phone or any connected mobile/mobile broadband device), we'll automatically give you another 1GB for \$10. Each time you use all of your data inclusion we'll give you another 1GB for \$10, up to a maximum of 150GB additional data on one account per month. Your service may then be restricted or we may continue to charge you at these rates.

At the end of your billing month, you'll automatically be moved back to your plan's inclusions and charges.

### Minimum term

It's available on a 24 month contract. The Minimum Total Cost is **\$3,240** over 24 months (excluding any handset repayments).

### Data Pool

If you have more than one My Plan Plus (including SIM Only), My Plan Business (including SIM Only & Tech Fund), My Mobile Broadband Plus or Mobile Broadband Business plan on the same billing account, the included monthly data allowance will combine into one data pool, which will be shared by all the eligible services on that account. Any unused data in the data pool expires at the end of each billing month.

You can also share your data pool allowance with mobile broadband devices on the same account by adding a Shared Data Plan (maximum of 5 devices per mobile service with a one-off \$5 set up fee per device). You cannot make calls with the Shared Data Plan.

Services that share data may have a service login to My Account which will display all service numbers contributing to or using the shared data pool on the account, and the amount each service has used.

If you don't want to share data between your services, they will need to be on separate billing accounts.

Data sharing is only available within Australia.

### Bundling arrangements

You don't need to bundle this plan with any other Optus service. However, you might be able to get additional discounts if you have another Optus Service.

### Special promotions and bolt-ons

This summary doesn't cover any special promotions or extra value added services (bolt-ons) that you may also select.

## Information about pricing

### Minimum monthly charge

**\$135** per month (\$60 for minutes + \$75 for data).

### International inclusions

Calls are charged per minute. When included minutes for calls to selected countries are used up, standard international charges apply. Included calls/SMS/MMS can be used to call the following countries: Austria, Bangladesh, Cambodia, Canada, Chile, China, Croatia, France, Germany, Greece, Hong Kong, Hungary, Indonesia, India, Ireland, Italy, Japan, Malaysia, Netherlands, New Zealand, Pakistan, Philippines, Poland, Singapore, South Africa, South Korea, Taiwan, Thailand, Turkey, United Kingdom, USA and Vietnam.  
See [optus.com.au/international](https://optus.com.au/international)

### Cancellation fees

The maximum cancellation fee for this plan is **\$870**, which will reduce each month of your contract term plus if you cancel your mobile plan, you'll also have to pay any remaining payments for your phone or mobile broadband device if you have chosen a repayment option. If you receive a monthly handset credit, you will no longer be entitled to the credit and you'll have to pay the remaining handset payments in full.

If you cancel your plan, and there are no other My Plan Plus or My Plan Business services on the account, you must also cancel any Shared Data Plans on the account. If you don't, you will continue to be charged for any data usage on these services at \$10 per 1GB within Australia or we may cancel them.

### Plan changes

If you change your plan during your contract term a fee may apply and any payments you have for your phone will remain the same. Contact Customer Service if you would like further information.

### Additional data

Data will be counted in kilobytes, and includes uploads and downloads. The cost of 1MB included data is **\$0.0037**.

If you use more than your included data during your billing month (either on your mobile phone or any connected mobile/mobile broadband device), we'll automatically give you another 1GB for \$10. Each time you use all of your data inclusion we'll give you another 1GB for \$10, up to a maximum of 150GB additional data on one account per month.

Your service may then be restricted or we may continue to charge you at these rates.

At the end of your billing month, you'll automatically be moved back to your plan's inclusions and charges.

If you have more than one My Plan Plus (including SIM Only), My Plan Business (including SIM Only & Tech Fund), My Mobile Broadband Plus or Mobile Broadband Business plan on the same billing account, any additional usage charges will be applied to the first service connected to one of these plans.

### Paper Invoice fee

You'll be charged **\$2.20** each month if you choose to receive a paper bill. To see your bills online, or request email billing go to [optus.com.au/myaccount](https://optus.com.au/myaccount)

### Payment processing fee

If you don't pay by direct debit (bank account or credit card) or BPay savings, a payment processing fee will apply. For details go to [optus.com.au/payments](https://optus.com.au/payments)

### Late payment fee

If you don't pay your bill by its due date we may charge you

a late fee. For more information please see [optus.com.au/standardagreements](https://optus.com.au/standardagreements)

## Other information

### Tracking your spend

We'll send SMS usage alerts to your mobile phone once you've reached approximately:

- 50%, 85% and 100% of your included standard national and international minutes or included shareable data; and
- Each time you incur charges of \$45.45 (ex GST) or \$50 (inc GST) on services that aren't part of your plan's included standard national and international minutes or data.
- We'll also send you an SMS when you've reached 85% and 100% of any additional minutes or data that you've used above your standard plan inclusion each month.

You may also set an alert for your connected mobile broadband devices, and that alert will be sent once you've reached 85% and 100% of the amount you nominate. Note, this alert will be sent to the email address of the mobile broadband service and/or mobile phone number you specify.

You can monitor your unbilled usage by:

- Visiting My Account at [optus.com.au/myaccount](https://optus.com.au/myaccount)
- Downloading the My Optus App from [optus.com.au/MyOptusApp](https://optus.com.au/MyOptusApp)

Mobile phones can check their usage and shared data services' usage using My Optus App or in My Account using a service level log in. The account holder can check usage for all devices using My Account.

For more information about usage alerts, including setting up alerts for any mobile broadband devices attached to your My Plan Plus see [optus.com.au/alerts](https://optus.com.au/alerts)

### Using your service overseas

You cannot use your included minutes and shareable data if you are overseas. If you want to use your mobile phone or mobile broadband device when you're overseas you'll need to activate roaming if it's not already on. You can check your roaming settings and turn it on/off using My Optus App or My Account:

- As part of this plan you will receive up to 10 days of Optus Travel™ Pack for use within each billing month. You need to ensure your Optus Travel™ Pack is active by contacting Optus prior to use. Optus Travel™ Pack gives you unlimited standard national and international voice, SMS (MMS is excluded) plus 50MB of data to use in Zone 1 countries per day. For list of countries see [optus.com.au/travel](https://optus.com.au/travel)
- You can activate the Optus Travel™ Pack on a day to day basis or multiple days at once. If you activate multiple consecutive days, the data allowance will accumulate, for example activate 5 consecutive days and use 250MB any time over the 5 day period. If you exceed the data limit, standard data roaming charges will apply. Any data provided as part of Optus Travel™ Pack is not shareable and will not form part of any Data Pool. Any unused days of Optus Travel™ Pack are forfeited and cannot be rolled over to the next billing month.
- If you are not in a Zone 1 country you will be charged at standard roaming rates for that country.

To avoid surprises, see [optus.com.au/travel](https://optus.com.au/travel) for information on roaming call rates and data rates, tips on how to control your spend and details on our travel packs.

### Customer service

You can SMS 'Menu' to 9999 for free from your Optus Mobile for account balance, payment details, to activate roaming and voicemail at any time.
