$80 My Basics Bundle - 24 Month Contract

$60 My Basics Bundle when bundled with an eligible Optus mobile (Optus cable, nbn™ or Optus direct service networks)

Information about the service

Description of the Service

This bundle is for Fixed Telephone and Broadband Services and may be supplied using Optus Cable, nbn™ or Optus Direct Service (LAD/ADSL 2+) networks.

This bundle includes the following monthly benefits:

- Unlimited standard calls to local fixed lines (excludes 13/1300 numbers)
- Unlimited broadband data allowance

Optus My Basics Bundle Availability

Optus Phone and Broadband services are not available in all areas or to all premises. The broadband service offered will be determined by what is available at your location.

Optus Phone and Broadband services are only available at premises which can be physically connected to the Optus network (or, in the case of Optus nbn™, where connection will be possible within three months based on rollout information provided by the nbn™ which is subject to change).

There may be technical or commercial reasons that affect our ability to connect a service at your address. Until Optus successfully installs your Service we cannot guarantee that the service can be installed at your address. To check your serviceability and find out what kind of Optus Broadband is available at your address visit optus.com.au/shop/broadband/home-broadband

Minimum term

New and existing customers can only get this plan on a 24 month contract. The minimum total cost is $1,920 (Optus nbn™ & Cable) or $2,045 (ADSL) includes $125 start up fee when you pay by direct debit and don’t bundle with an eligible Optus mobile ($2,160 (Optus nbn™ & Cable) with $30/mth mobile plan or $2,285 (ADSL) includes $125 start up fee and when you bundle with an eligible Optus mobile. Eligible Optus mobile plans include selected post paid mobile plans $30/mth and above), including a $125 start-up fee for new customers. If you change plans before the end of your contract term, an Early Recontract Fee of $80 applies and you will start a new contract term.

Equipment needs

You need a compatible telephone handset and broadband modem to use this service. The modem must be an Optus approved device. If you are a new Optus broadband customer we will provide you with a Wi-Fi modem at no additional cost.

Please let us know if you use equipment such as disability or medical services or a back-to-base alarm. Some equipment may require an alternative service or additional equipment. We will tell you if we are not able to support the equipment.

System requirements

To use the Optus Broadband service you need to ensure your computer is compatible. Please see optus.com.au/systemcompatible

Optus Fair Go Policy

The Fair Go Policy ensures that all our customers can access our services, and do not use our services in a manner that we consider ‘unreasonable’ or ‘unacceptable’, including, but not limited to ‘non-ordinary’ or ‘commercial purpose use’ of this plan. The policy also sets out your responsibilities when you use the internet, including any content which you publish online or by email. It also confirms steps we may take to ensure and monitor compliance with this policy as well as setting out our responsibilities to comply with directions from regulatory and other law enforcement bodies. You can find the policy at optus.com.au/fairgo

Installation
Optus reserves the right to charge for non-standard installations. You must obtain permission from the owner of the property, if that’s not you, to have Optus Broadband installed, and have someone over 18 years of age in attendance at the appointment. Cable and Optus Direct customers may require a technician to install the service and nbn™ customers may need two technicians (one Optus, one nbn™) to install the service. For nbn™ services, if you’re in a new development and not already connected to the nbn™, nbn™ Co may charge $300 to connect your premises to the nbn™. If applicable, we will bill that charge to you.

Minimum monthly charge
$80 per month when you pay by direct debit and don’t bundle with an eligible Optus postpaid mobile.

nbn™ speed
For customers connecting to this plan on the nbn™ the default speed included is Basic. Other speed packs are available including Speed Boost for an extra $10 per month, Speed Boost Plus for an extra $20 per month and Speed Boost Max for an extra $30 per month. More information about Optus’ nbn™ Speeds is available at optus.com.au/shop/broadband/home-broadband/nbn-speed-packs.

$20 bundle discount
If applicable, one $20 monthly discount applies per eligible broadband and postpaid mobile bundle. If you become ineligible for the discount, it will be removed without notice. Not available in conjunction with any other bundle discount offer. For existing customers any existing bundle discounts will be removed when taking up this offer. The bundled mobile and broadband services must be at the same billing address in the same name.

Cancellation fees
The maximum cancellation fee for this bundle is $375 ($75 for the phone service and $300 for the Broadband service) on Optus Cable or, Optus Direct Service Networks. The maximum cancellation fee for this bundle is $500 ($200 for the phone service and $300 for the Broadband service) for nbn™. When you recontract, the maximum cancellation fee for this bundle is $100. Cancellation fees decrease during your contract period.

Mobile calls
A standard national call to any Australian mobile for 2 minutes including flagfall would cost $0.85.

Plan changes
You can change your plan during your contract term but an Early Recontract Fee of $80 applies and new 24 month contract will start. Contact Customer Service if you would like further information.

Non-direct debit fee
A $2.20 fee will be charged each month if you choose not to pay your bill by direct debit. Exception is Non-Direct debit made through cards (credit cards, debit cards, charge cards and prepaid cards), no fee is charged (though processing fee will apply). To set-up direct debit go to optus.com.au/myaccount.

Paper invoice fee
A $2.20 paper invoice fee will be charged each month if you choose to receive a paper bill. For online billing or to request an email bill go to optus.com.au/myaccount.

Payment processing fee
If you pay by BPAY savings or direct debit from a bank account or credit card, there are no processing fees.

By accepting the benefits of this bundled offer, the connection date for your phone that you agree to will likely be longer than the maximum timeframe in the Customer Service Guarantee (CSG). Apart from this, any other rights you have under the CSG still apply. For more information, see optus.com.au/yourCSG

Special Promotions and Value Added Services
You may be eligible for additional discounts if you have additional Optus services. This summary doesn’t include any of the discounts, special promotions or other value added services (bolt-ons) available with this plan that you may select.

Other information

Changing the access method
We may change the access method for your service for the remainder of your minimum term and move you to:
- A new plan that is reasonably comparable with your current plan; or
- An alternative plan, but only if we take reasonable steps to address any detrimental impact that the change may have on you that is not minor.

If we change your access method, you must provide all reasonable assistance to enable the change to be implemented, including access to your premises and equipment. Unless otherwise agreed with you, we will not charge you for installing or equipment we supply to you with the changed access method. Alternatively, we may ask you to change your access method during your minimum term even if the change may have a detrimental impact on you that is more than minor. If you refuse our request, we may cancel the service by giving you at least 90 days’ notice. If the service is cancelled, you will be liable for charges incurred up to cancellation, but you will not be liable for any cancellation fee or outstanding equipment charges. We will contact you to discuss the details of any changes we plan to make to your access method prior to making the change.
