MY DEVICE ISN'T ON THERE!

Don't worry. As new devices are released – and are checked as being compatible with Optus Pay – this list will grow. And your phone could be next!

THE NITTY GRITTY: Optus may add or withdraw a mobile device from this list at any time without notice or liability to you. Even if your mobile is listed in this document, Optus can't guarantee that the Optus Pay app will function correctly, as this is also dependant on your mobile and the combination of hardware, software, services or conditions in which it may be used (including that your phone's operating system is Visa-certified). Jailbroken or "rooted" mobiles should not be used and may be unable to register or use the Optus Pay app.

Optus Pay is issued by Heritage Bank Limited ABN 32 087 652 024 AFSL 240984
