Eligibility

Optus Choice Data SIM Plans are available to new and recontracting services. Eligible customers may change rate plans to these plans.

Devices

You can bring your own compatible device or buy an eligible device from us with these plans and pay for it over a selected term by monthly payments on a device payment plan.

If you cancel your Optus Choice Data SIM Plan or move to an ineligible plan, your related device payment plan will be cancelled. You will need to pay out any remaining device payments in full on your next bill and you will lose any applicable device credits or discounts.

New Tablet Trade Up

If you add a 24 or 36 month device payment plan to these plans, in the last 12 months of the device payment plan, you can upgrade early to a new eligible device on a new device payment plan with a new SIM plan. Just pay the \$149 Trade Up fee, return your original device to Optus in good working order and sign up to your new 24 or 36 month device payment plan and a new SIM plan. You may also need to sign a separate agreement with our second hand vendor to transfer ownership of your original device.

Monthly data to share

Monthly data inclusions are set out in the table above.

These plans share data within Australia. If you have more than one plan that data shares on the same billing account, the included monthly data allowance will combine into one Data Sharing pool, which will be shared by all the plans that share data on that account. If you use more than your included data, these plans and all services that share data with these plans will be slowed to a maximum of 1.5Mbps until the start of your next billing period, unless you purchase extra data. Data expires at the end of each billing month.

If you don't want to share data between your services, they will need to be on separate billing accounts. Data is counted in kilobytes, and includes uploads and downloads.

What's not included

These plans do not enable you to make calls to Australian numbers and do not include an allowance for standard national and international SMS and MMS. You also cannot use your plan's included data whilst overseas.

If you send SMS/MMS with these plans from a compatible device the following PAYG rates apply:

- 10c per standard national SMS or MMS sent to numbers in Australia
- 50c per SMS sent to international numbers from Australia
- 75c per MMS sent to international numbers from Australia

For further details of charges please refer to your pricing plan in the Mobile Internet standard agreement found at optus.com.au/sfoa

Special Promotions and Extras

This summary may not cover all special promotions or optional extras you may select. Optional extras may be available and charges may apply depending on your plan. By signing up to an optional extra, you agree that it is subject to change at any time. We will try to give you at least 21 days' prior notice of a change, however, this does not entitle you to terminate your plan. Optional extras can be cancelled at any time; you just pay for these charges until the end of that bill cycle.

Fair Go Policy

Our Fair Go Policy applies to these plans. Its purpose is to ensure all our customers can access our services, and don't use our services in a manner we consider 'unreasonable' or 'unacceptable', including, but not limited to 'non-ordinary' or 'commercial purpose use' of these plans. It also sets out your responsibilities when you use your data and confirms steps we may take to monitor and ensure compliance with this policy. For more information see optus.com.au/fairgo

Information about pricing

See the table at the start of this summary for your plan pricing and minimum monthly charge. If you use your device for things not included in your plan or exceed your monthly data allowance, you'll have to pay more than your minimum monthly charge set out in the table at the start of this summary.

Monthly charges are paid in advance and any charges not included in your plan will appear on your next bill after they are incurred.

Plan changes

You can change to another eligible month-to-month plan once per billing period. If you change your plan and you also have a related device payment plan, your device payment plan will remain in place and your device payments will remain the same.

We may make changes to your plan. This could include moving you to a new plan which may cost more. If we increase your plan price, decrease your data inclusion or move you to a new plan, we will give you at least 30 days' notice of these changes. If you don't like the changes, you can choose a new plan (once per billing period) or cancel your plan (see Cancellation below). For any other changes we make to your plan that we reasonably believe may adversely impact on you, we will give you reasonable notice of those changes.

Cancellation

You can cancel your plan at any time with no cancellation fee. You'll need to pay all charges and fees, inclusive of charges outside of your plan inclusions (including for services or accessories), incurred up to the end of the bill cycle in which the service was cancelled. However, if you have a related device payment plan this will also be cancelled. You will need to pay out any remaining device payments in full on your next bill and you will lose any applicable device credits or discounts. This is subject to your Australian Consumer Law rights.

Other information

Tracking your spend

We'll provide you with usage alerts:

- Once you've reached approximately 50%, 85% and 100% of your included data; and
- Each time you incur charges of \$50 (incl. GST) on services that aren't part of your plan's included data.

You can choose your preferred method of receiving usage alerts and service notifications by visiting My Account at optus.com.au/myaccount

You can monitor your unbilled usage by:

- Downloading the My Optus App from optus.com.au/MyOptusApp
- Visiting My Account at optus.com.au/myaccount

For more information about usage alerts and how to control your spend see optus.com.au/for-you/support/answer?id=1450

Using your service overseas

You cannot use your included data if you are overseas. You will be charged at standard roaming rates, or you may be able to purchase a travel option (note, these are only available for eligible destinations).

To avoid surprises, see optus.com.au/roam for information on eligible destinations, roaming, call and data rates, tips on how to control your spend and details on our travel options.

Customer Service

You can use the My Optus App on your mobile to pay a bill, check your account balance and usage, chat to customer care and more. Download the My Optus App from optus.com.au/MyOptusApp
