Devices

You need a compatible mobile phone device to use with this plan.

You may bring your own compatible device, or buy a compatible device from us with this plan on a device payment plan and pay for it over a selected term by interest free monthly payments. You'll need to remain on an eligible plan for the term of your device payment plan. If your device payment plan is cancelled, you'll need to pay out any remaining device payments in full and any applicable device credits or discounts will be forfeited.

What's included

Monthly inclusions are set out in the table above and included usage types are outlined below:

- Standard national talk & text:** Included value can be used for calls, SMS and MMS in Australia to standard Australian numbers, calls to 13/1300/1800 numbers, voicemail retrievals/deposits and voicemail diversions.

- Monthly data to share:** There is no included data on this plan. This plan uses the shared data allowance from the eligible Optus mobile service it is associated with. If you have more than one eligible plan that data shares on the same account, the included monthly data allowance will combine into one data sharing pool, which will be shared by all the eligible plans that share data on that account. If you use more than your included data, data usage on this plan and all services that share data with this plan will be slowed to a maximum of 1.5Mbps until the start of your next payment cycle, unless you purchase extra data. Slowed data speeds (maximum of 1.5Mbps) are suitable for general internet browsing and music streaming, however, some activities such as video streaming may see increased buffering and loading times. Any unused data expires at the end of each payment cycle. If you don't want to share data between your services, they will need to be on separate accounts. Data is counted in kilobytes, and includes uploads and downloads

What's not included

Your monthly included calls, text and shared data cannot be used overseas.

You cannot make outbound calls to international numbers, send SMS/MMS to international numbers unless you purchase an eligible international call & SMS/MMS add-on.

You cannot make use of premium services on these plans.

Special Promotions and Extras

This summary doesn't include information on special promotions or optional extra services (bolt-ons/add-ons) that you may access with this plan. We'll try to give you at least 21 days' prior notice of a change, however, this does not entitle you to terminate your plan. Optional extras can be cancelled at any time; you just need to pay for any charges until the end of their payment cycle.
