Information about the Service

Eligibility

This plan is available to new and recontracting services.

Minimum term

This is a month-to-month plan.

Handset

You need a compatible mobile handset. You can either:

- Bring your own handset. To check it's compatible and set up to make the most of our network go to optus.com.au/coverage
- Purchase a handset from Optus. You can pay for it in full on your next bill or pay it off in 24 monthly repayments.

Included value

Monthly inclusions are set out in the table above and included usage types are outlined below:

- **Standard national calls and text**
Included value can be used in Australia for calls, SMS and MMS to standard Australian numbers, calls to 13/1300/1800 numbers, voicemail retrievals/deposits and voicemail diversions.
- **Data to share**
This plan shares data within Australia. If you have more than one plan that data shares on the same billing account, the included monthly data allowance will combine into one Data Pool, which will be shared by all the plans that share data on that account. If you use more than your included data (either on the handset or any connected handset/mobile broadband device) we'll automatically give you another 1GB for \$10. If you use more than 150GB on a single billing account we may continue to charge you at the same rates or restrict your data until next billing period. Any unused data expires at the end of each billing month. If you don't want to share data between your services, they will need to be on separate billing accounts. Data is counted in kilobytes, and includes uploads and downloads.

What's not included

Your monthly calls, text and data cannot be used overseas and do not include calls to directory assistance, video calling, premium numbers or content charges. For details of those charges please refer to your pricing plan in the Postpaid Mobile standard agreement found at optus.com.au/sfoa

Standard international calls from Australia will be charged at standard international PAYG rates. See optus.com.au/international for more information.

Special promotions and extras

This summary may not cover all special promotions or optional extras you may select. Streaming and entertainment options may be available and charges may apply depending on your plan. By signing up to a streaming or entertainment option, you agree that it is subject to change at any time. We will try to give you at least 21 days' prior notice of a change, however, this does not entitle you to terminate your plan. Streaming or entertainment options can be cancelled at any time; you just pay for these charges until the end of that bill cycle and your plan will continue for the rest of its term.

Fair Go Policy

Our Fair Go Policy applies to this plan. Its purpose is to ensure all our customers can access our services, and don't use our services in a manner we consider 'unreasonable' or 'unacceptable', including, but not limited to 'non-ordinary' or 'commercial purpose use' of this plan. It also sets out your responsibilities when you use the internet and confirms steps we may take to monitor and ensure compliance with this policy. For more information see optus.com.au/fairgo

Information about pricing

See the table at the start of this summary for your plan pricing and minimum monthly charge. If you use your mobile for things not included in your plan or exceed your monthly data allowance, you'll have to pay more than your minimum monthly charge set out in the table at the start of this summary.

Cancellation

There are no plan cancellation fees, however, you'll have to pay any remaining payments for your phone in full if you have chosen a repayment option, plus all charges up until the date of cancellation.

Plan changes

You can change your plan to another current My Plan Plus SIM Only plan (if there's one available) once per month.
